SANDHYA MURALIDHARAN

ARCHITECT | LANDSCAPE DESIGNER

As an architect and landscape designer, I'm inspired by the coastal beauty of Chennai and the Bay of Bengal. I specialize in blending creativity with sustainability, crafting innovative designs that harmonize aesthetics and environmental consciousness. With a passion for coastal life and travel, I infuse each project with a unique and diverse perspective.

PROFESSIONAL EXPERIENCE

June 2024 - Present

Landscape Designer

JMortan Planning & Landscape Architecture,
West Palm Beach, Florida, USA

- Prepared detailed landscape and site plans using AutoCAD and Land F/X, with a focus on drafting, overlays, and coordination with civil utilities.
- Developed planting plans, executed site planning, and collaborated with clients to ensure accurate design interpretations.
- Coordinated and reviewed drawings, ensuring compliance with site requirements and client expectations.

May 2023 - July 2023

Landscape Architect Intern

Site Solutions LLC, Atlanta, Georgia, USA

- Actively participated in client meetings and collaborated with contractors to ensure project alignment.
- Developed strong teamwork, technical, and project management skills.
- Contributed to the design phase of projects, focusing on pavements and 3D renderings.
- Enhanced creative problem-solving and innovative design abilities, particularly in aesthetic and functional aspects of design.
- Internship at Site Solutions provided hands-on experience that strengthened my interest in design creativity and project execution.

May 2021 - December 2021

Architect Intern

Jeganath JB Architects, Chennai, India

- Managed project planning, budgeting, and scheduling from concept to final design.
- Developed detailed drawings and specifications for various phases of design.
- Participated in construction administration, handling submittals, RFIs (Requests for Information), change orders, and site observations.
- Enhanced creative problem-solving and innovative design abilities, particularly in aesthetic and functional aspects of design.

May 2020 - September 2020

Design software teacher

Dynamic Studios

- Basic architecture softwares such as autocad, sketchup, lumion, photoshop, and indesign were taught to a total of 80 students in multiple batches.

SKILLS

AutoCAD & Land F/X (for drafting and landscape design)

SketchUp & Rhino (3D modeling)

Photoshop (graphic design and post-processing)

Microsoft Office Suite (Excel, Word, PowerPoint)

Lumion (rendering and visualization)

Project Management (scheduling, budgeting, and planning)

Client Coordination & Construction Documentation
